

THE BEST SYSTEM YOU WILL EVER OWN

THE KILLER

6 - 4 - 2

YOUNG BIRD SYSTEM

KILLS THE OPPOSITION ABSOLUTE FACT

ONCE IT IS TIME TO START YOUR. YOUNG BIRDS TRAINING, MAKE SURE THEY ARE WELL BASKET TRAINED AND HAVE BEEN WORMED AND CANKERED.

THIS SYSTEM REQUIRES THAT THE YOUNG BIRDS ARE TRAINED NO MORE THAN 15 MILES ON A DIRECT LINE OF FLIGHT FROM ALL RACE POINTS.

START THE TRAINING AT 5 MILES NO LESS.

FIRSTLY TRAIN ALL YOUNGSTERS TOGETHER FOR THE FIRST 6 TOSSES UP TO THE 15 MILE STAGE. DO THIS MORNING AND NIGHT.

AFTER THE FIRST 12 TOSSES, RELEASE 6 BIRDS ONLY AND WAIT A FEW MINUTES UNTIL THEY ARE CLEAR, THEN KEEP PUTTING 6 BIRDS UP AT A TIME UNTIL ALL BIRDS ARE LIBERATED.

YOU WILL FIND THAT AFTER A COUPLE OF TOSSES IN THIS WAY THE BIRDS WILL CLEAR STRAIGHT AWAY.

AFTER A WEEK OF TOSSING THE BIRDS THIS WAY, REDUCE THE NUMBER OF BIRDS LIBERATING THEM TO 4 AT A TIME. CONTINUE THIS MORNING AND NIGHT FOR A FURTHER WEEK.

ON THE THIRD WEEK OF TRAINING REDUCE THE NUMBER OF BIRDS LIBERATED TO 2 AT A TIME, MORNING AND NIGHT AS BEFORE.

NEVER EVER LIBERATE ALL BIRDS TOGETHER AGAIN.

REPEAT THIS SYSTEM WEEK IN WEEK OUT UNTIL THE 4th YOUNG BIRD RACE, THEN ONLY 2 TOSSES PER WEEK (TUESDAY & THURSDAY) AT THE 15 MILE STAGE AND ONLY LIBERATE 6 BIRDS AT A TIME.

KEEP YOUR YOUNG BIRDS HEALTHY AND ON THIS SYSTEM YOU WILL DEVASTATE THE OPPOSITION.

FACT

FEED, HALF OUNCE OF GOLDEN BOOST AND RICE MIXED 50/50 EARLY ON FRIDAY MORNINGS AND FEED NOTHING ELSE.

THE MOST IMPORANT THING WITH YOUNG BIRDS RACING IS IT TAKES A LONG TIME BEFORE THEY WILL DRINK ON THE TRANSPORTER SO GET A 5ML SYRINGE AND GIVE EVERY YOUNG BIRD GOING TO A RACE ONE 5ML SYRINGE FULL STRAIGHT DOWN THEIR THROATS BEFORE TAKING TO CLUB.

THIS IS VERY IMPORTANT AS YOU WILL SOON SEE BY YOUR RETURNS AND TIMES.

YOU CAN OBTAIN THE GOLDEN BOOST FROM MURRAY AND MILLS IN LEEDS THIS IS ADVERTISED IN THE HOMING WORLD.

YOU CAN OBTAIN THE RICE FROM ANY SUPERMARKET, THE ONE THAT IS USED FOR MAKING RICE PUDDINGS. DON'T FORGET MIX 50/50 WITH THE GOLDEN BOOST. HALF AN OUNCE PER BIRD EARLY FRIDAY MORNING.

THIS SYSTEM IS UNBEATABLE AND YOUR YEARLINGS WILL WIN OUT OF TURN AND ALWAYS ON THE WINNING LINE.

THE SYSTEM INSTILLS CONFIDENCE IN YOUR YOUNGSTERS AND THEY GET USED TO FLYING IN SMALL NUMBERS AND WILL NOT FOLLOW THE DRAG EVEN WHEN THE WIND IS NOT IN YOUR FAVOUR. PLEASE DO NOT TAKE SHORTCUTS.

THIS IS THE ONLY YOUNG BIRD SYSTEM YOU WILL EVER NEED. IT GETS THE VERY TOP RESULTS AND WE GUARANTEE IT.

BEST OF **LUCK** AND GOOD FLYING

CONFIDENTIAL
